## Did You Know?

The United States will need 5.6 million workers by 2020. HOSA- Future Health Professionals is the pipeline for tomorrow's health workforce.

## What is HOSA?

HOSA: Future Health Professionals is a national student organization that provides a unique program of leadership development, motivation and recognition exclusively for middle school, secondary, post-secondary, collegiate and adult students enrolled in health science classes.

**HOSA is 100% health care!**

HOSA's competitive events program, aligned with the National Healthcare Skills Standards, helps students graduate and be career and college ready and offers six event categories including: (1) health science, (2) health professions, (3) emergency preparedness, (4) leadership, (5) teamwork, (6) recognition.
