What is HOSA?

HOSA: Future Health Professionals is a national student organization that provides a unique program of leadership development, motivation and recognition exclusively for middle school, secondary, post-secondary, collegiate and adult students enrolled in health science classes. HOSA is 100% health care!

HOSA's competitive events program, aligned with the National Healthcare Skills Standards, helps students graduate and be career and college ready and offers six event categories including: (1) health science, (2) health professions, (3) emergency preparedness, (4) leadership, (5) teamwork, (6) recognition.

Our Mission

HOSA: Future Health Professionals is filling the pipeline with tomorrows workforce. The mission of HOSA is to enhance the delivery of compassionate, quality health care by providing opportunities for knowledge, skills and leadership development of all health science students, therefore, helping students to meet the needs of the health care community.
